

Oral sensorik

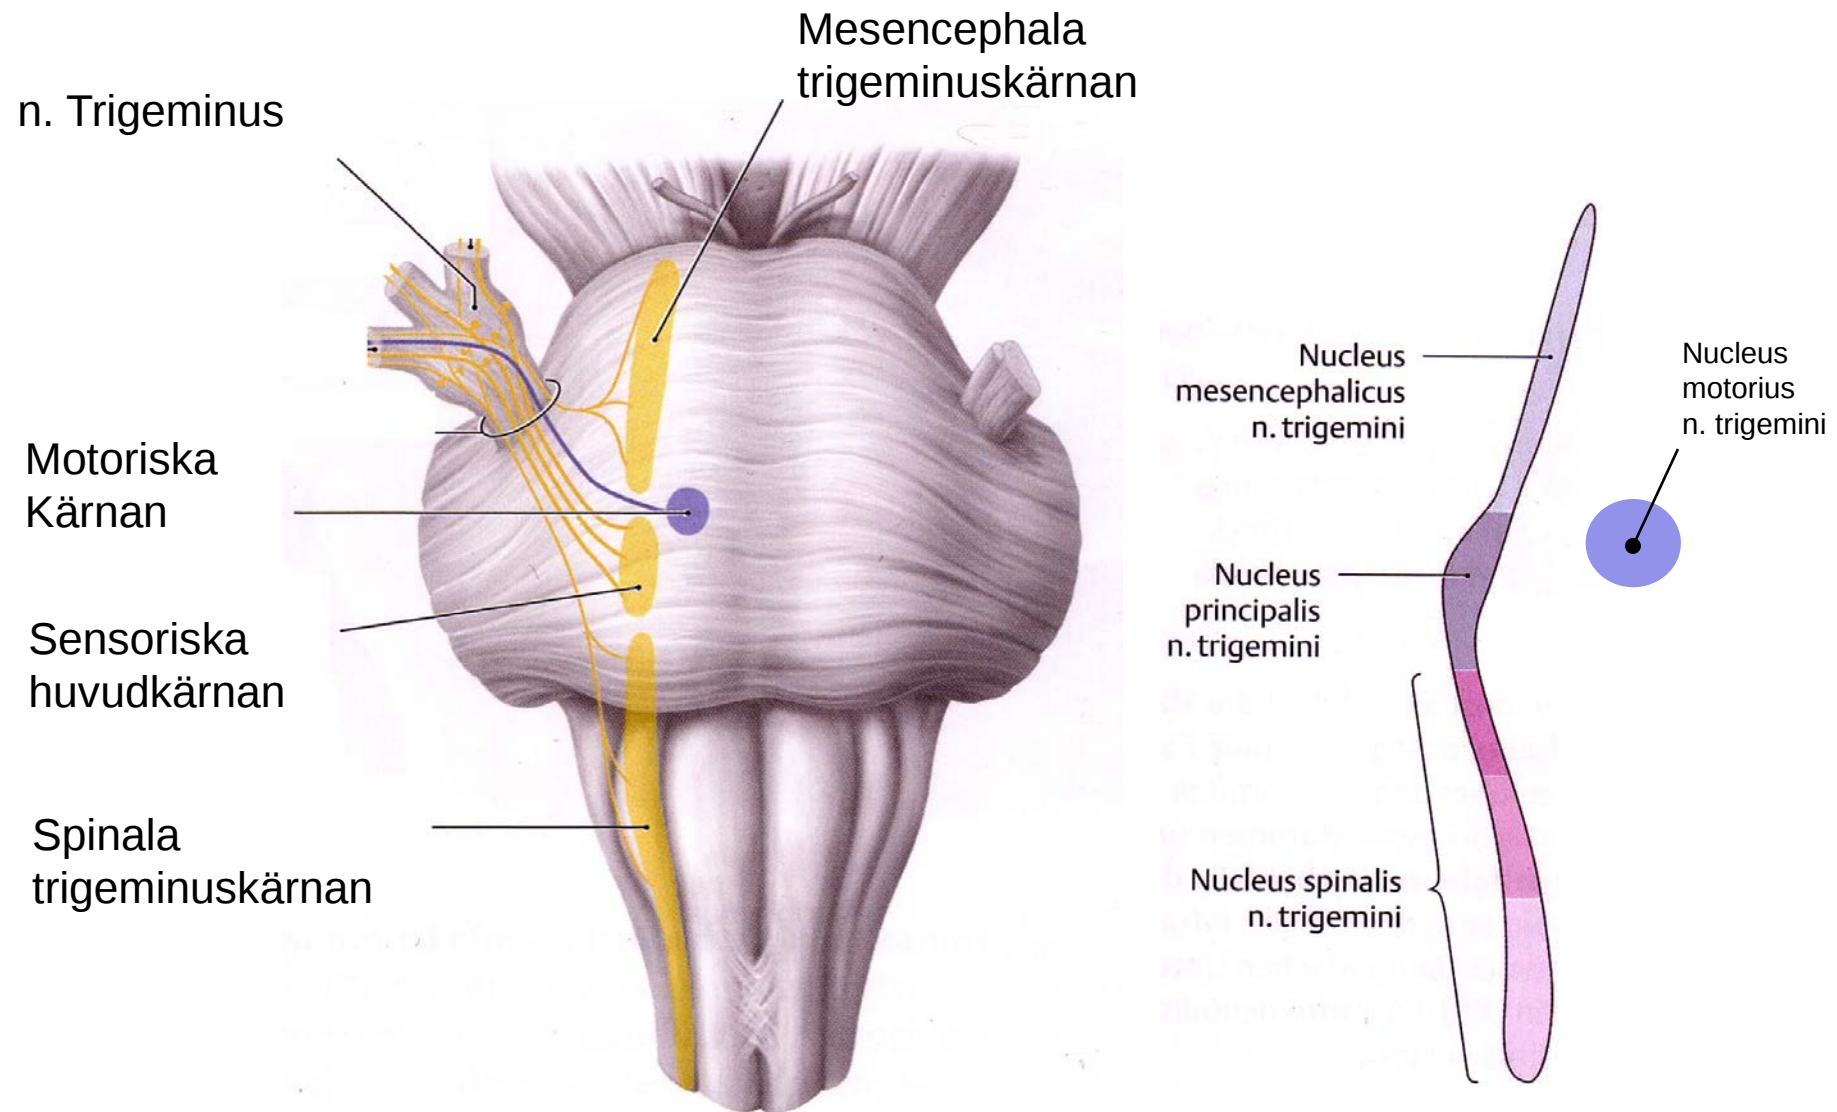

Trigeminusnerven

Trigeminusnerven

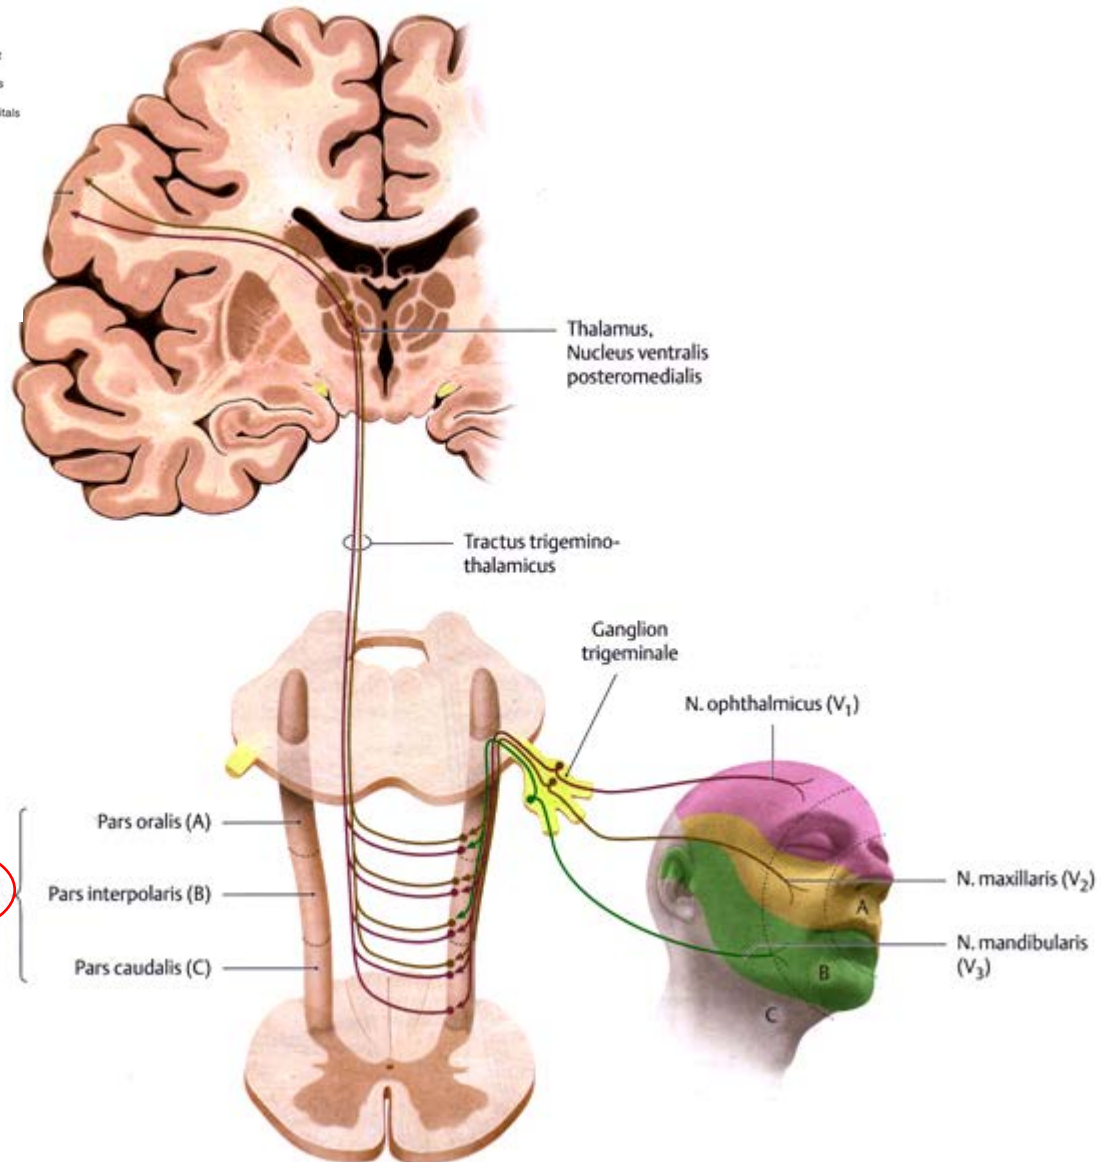

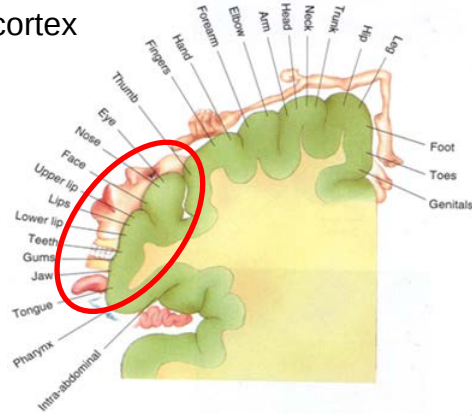

Trigeminuskärnorna

Trigeminotalama banan

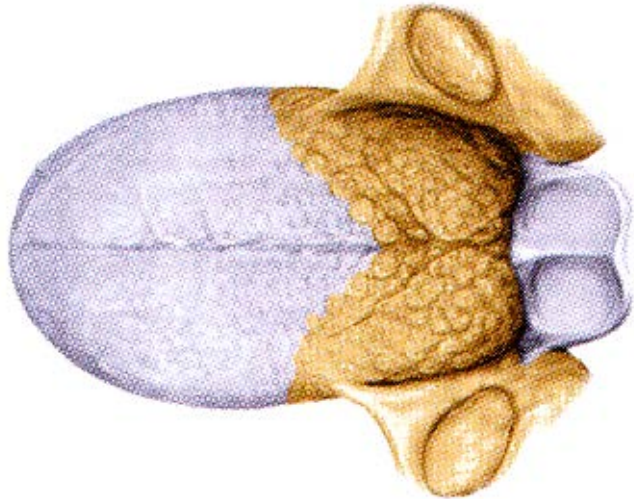

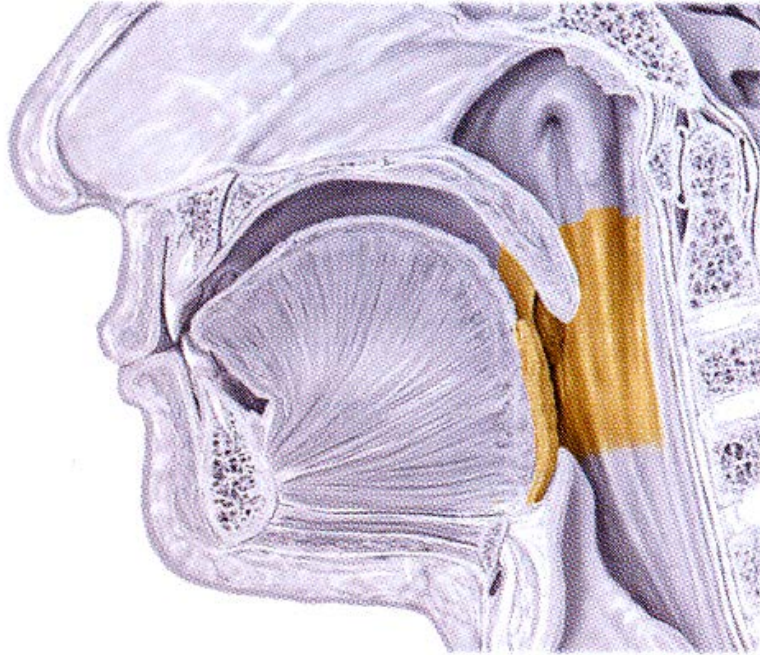

Primära somato-
sensoriska cortex

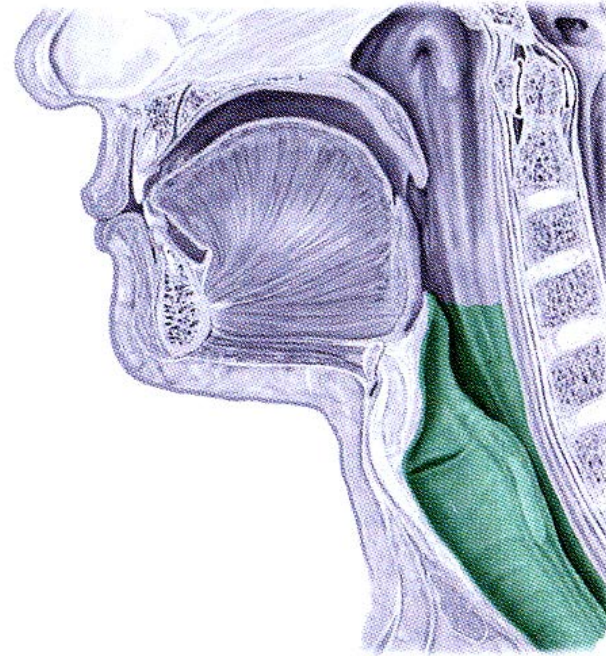

Spinala
trigeminuskärnan

Nucleus spinalis
n. trigemini

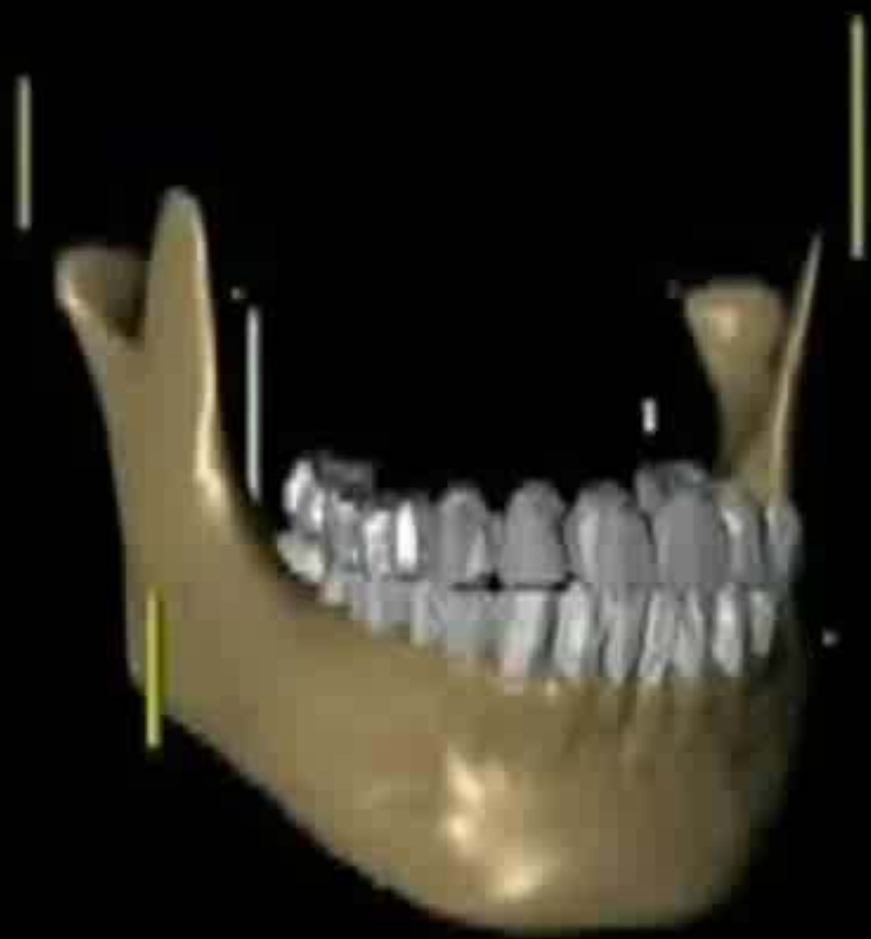

Glossopharyngeus-nerven (IX)

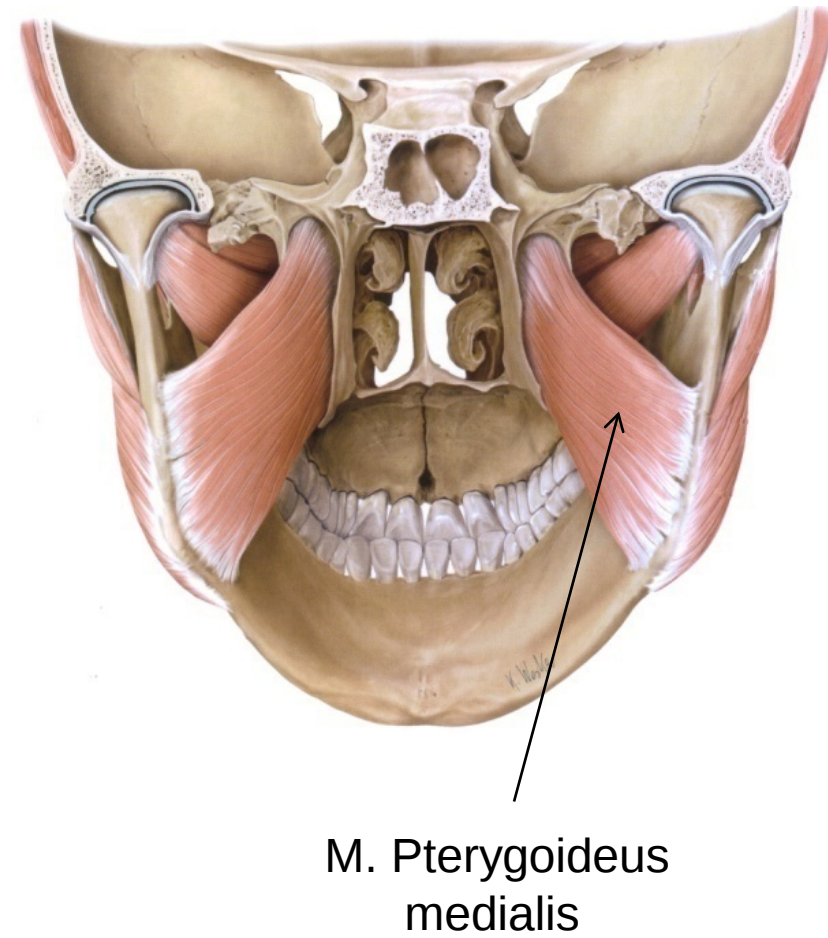

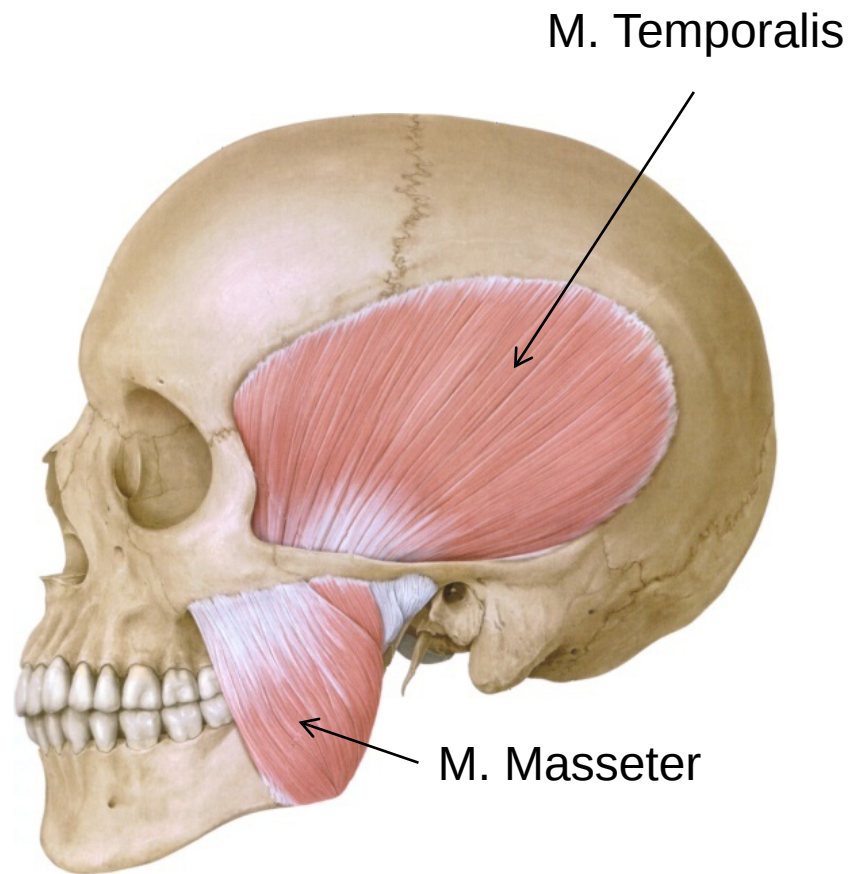

Vagusnerven (X)

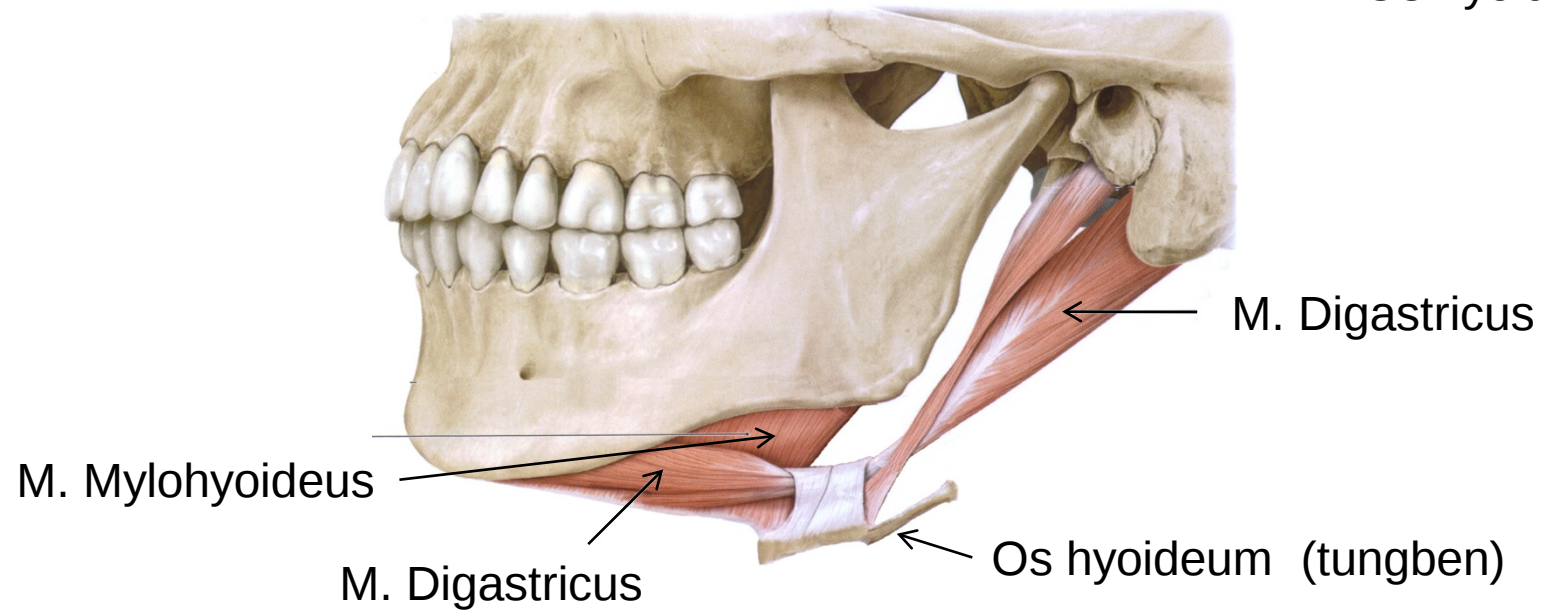

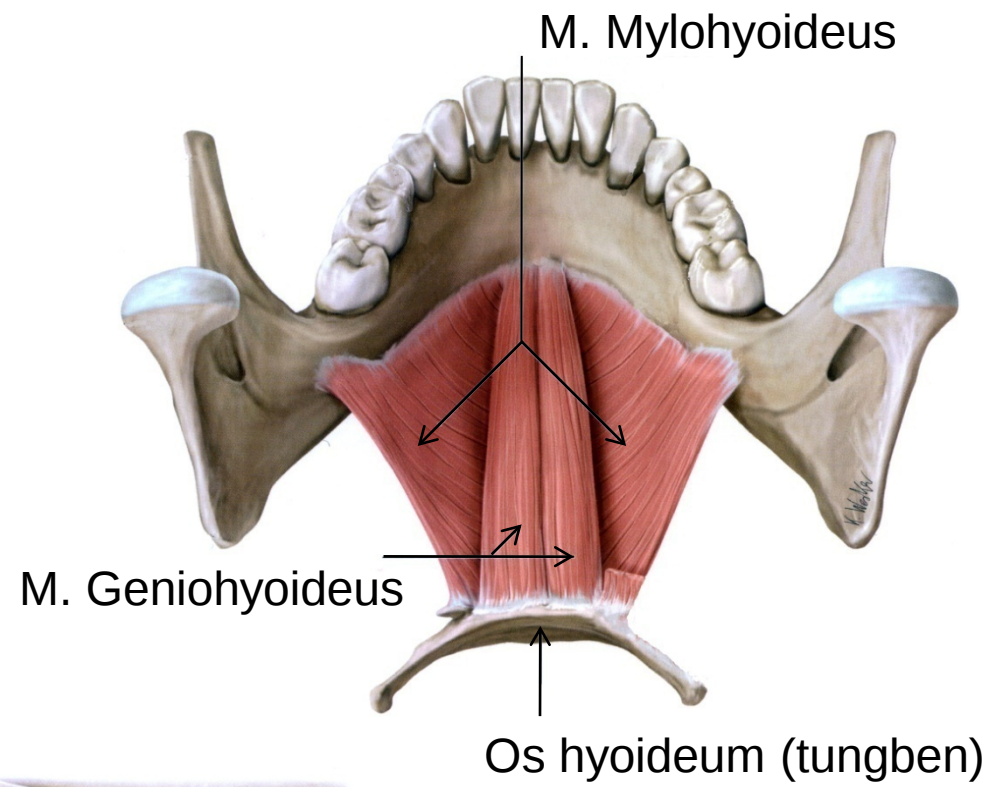

Oral motorik

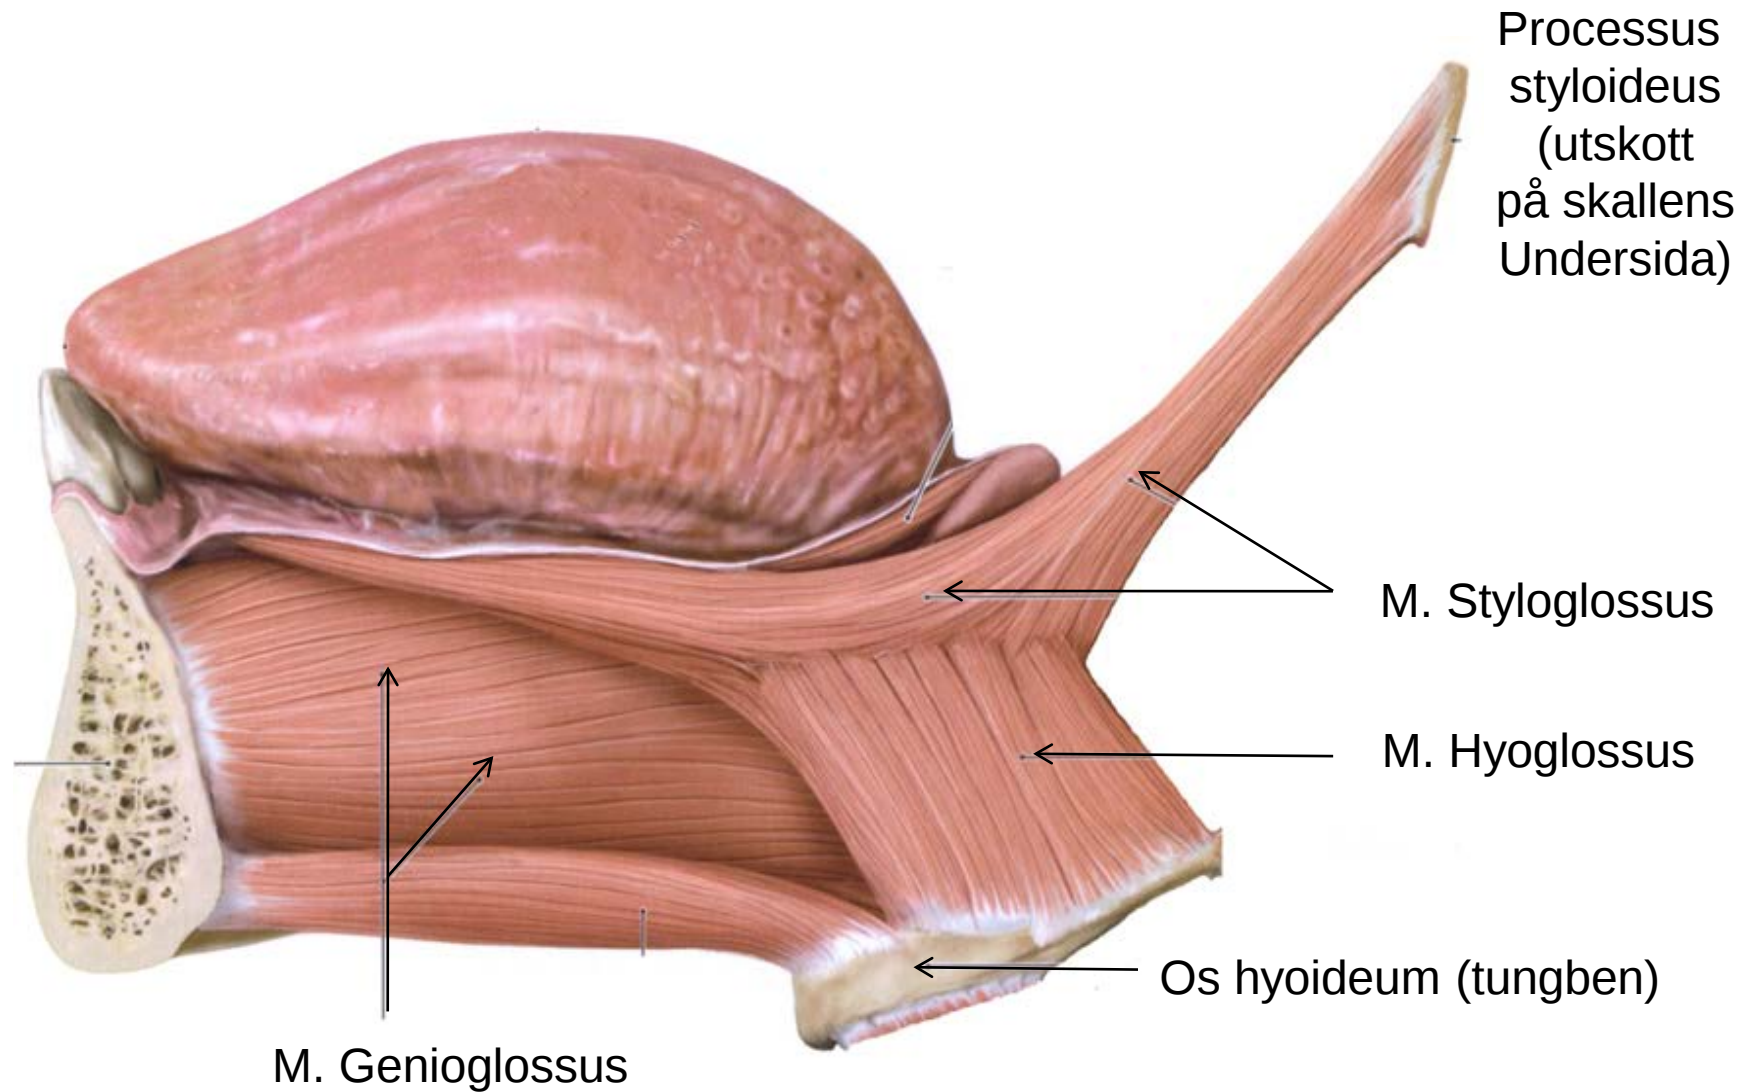

Käkslutare

Käköppnare

Tungrörelser

Larynx (struphuvud)

Os hyoideum
(tungben)

Epiglottis
(struplock)

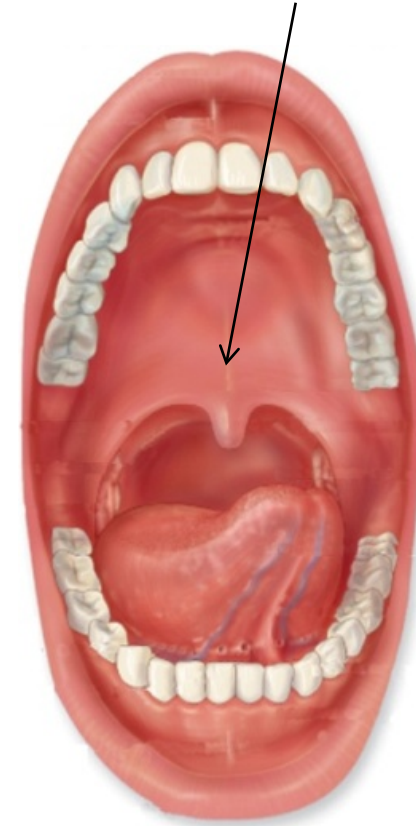

Luftstrupe
(trachea)

Oropharynx (munhåla)

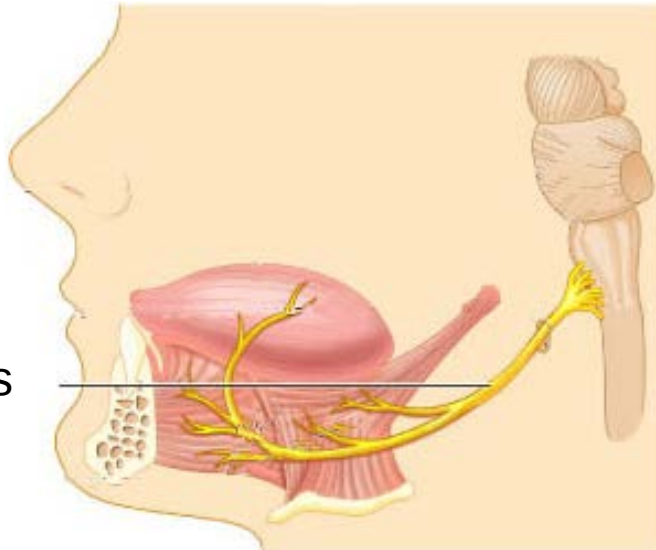

Palatum velum
(mjuka gommen, gomsegel)

Tunga och käkmuskler

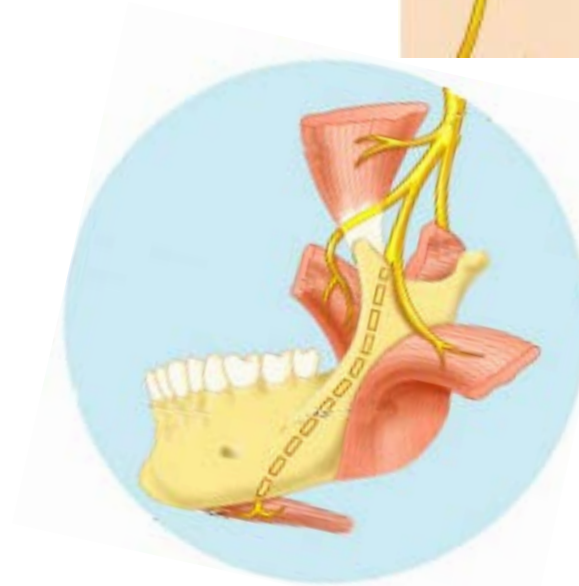

Muskler för
tungrörelser

n. Hypoglossus
(n. XII)

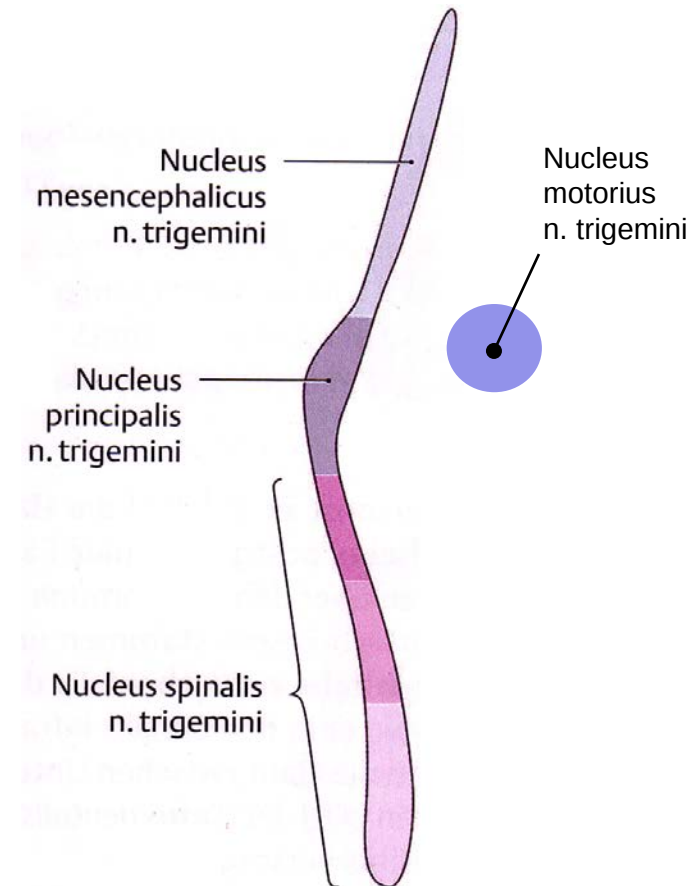

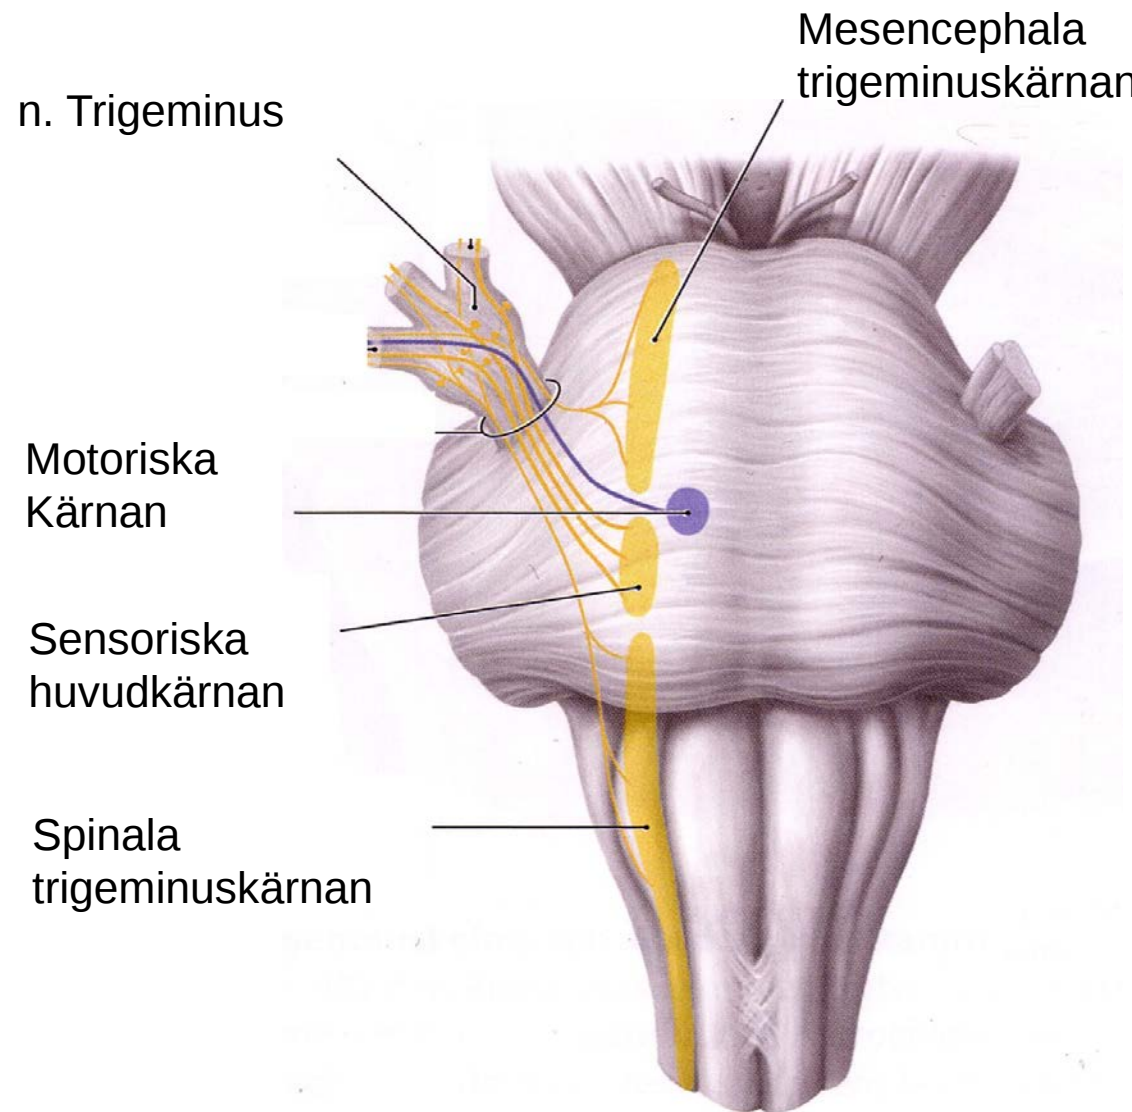

n. Trigeminus
(n. V)

n. Mandibularis
(gren av n. Trigeminus)

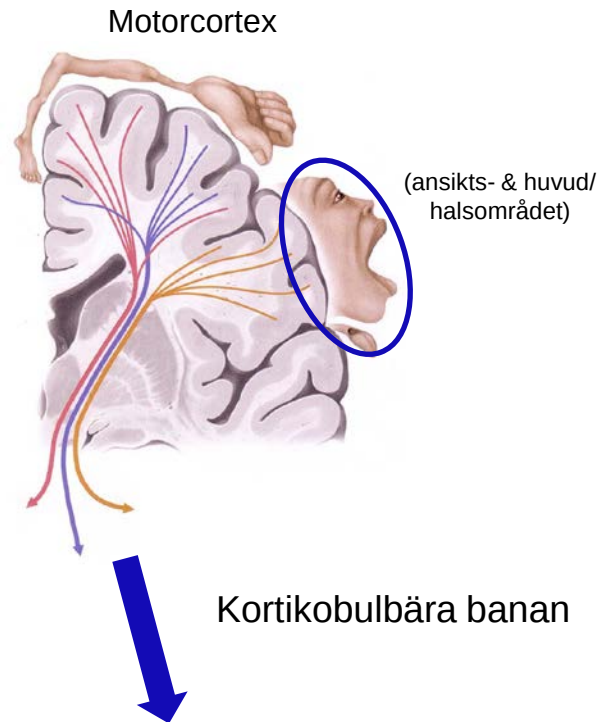

Muskler för käkrörelser
(öppning, slutning
sidorörelser)

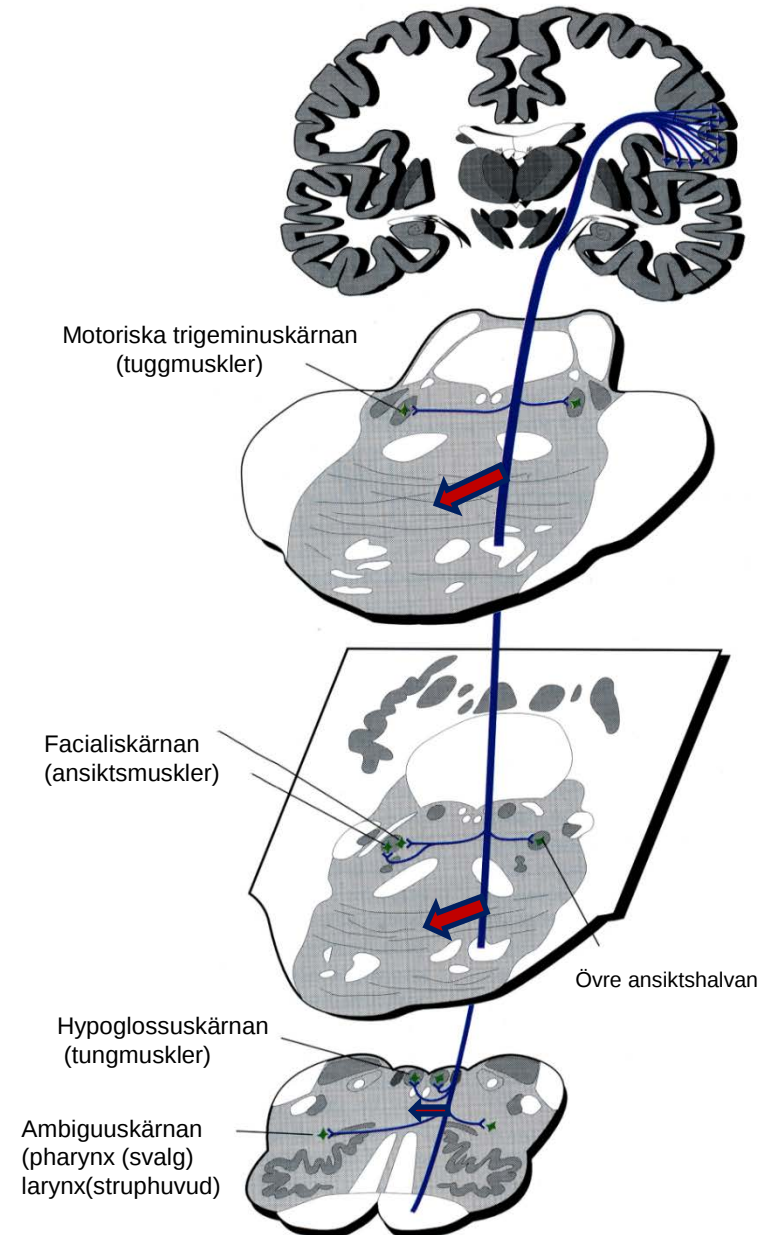

Trigeminuskärnorna

Styrning av motorik i hjärnstammen från primära motoriska cortex

Kortikobulbära banan

Kortikobulbära banan
